

Some information of Wellington city:

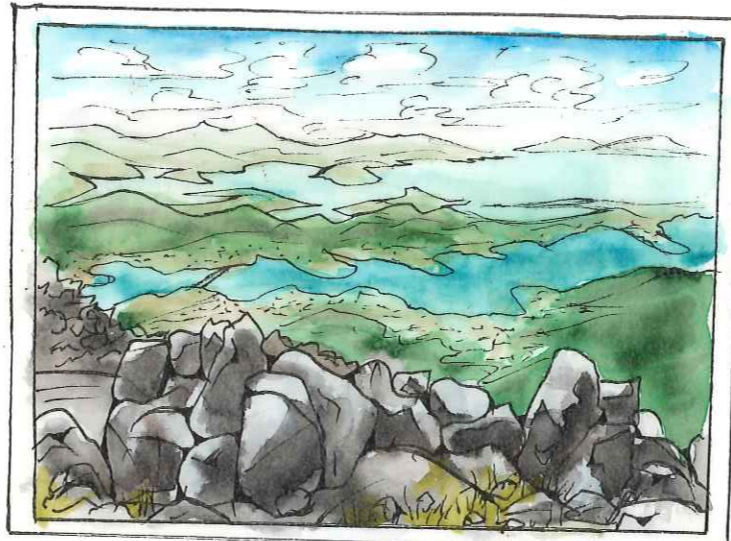

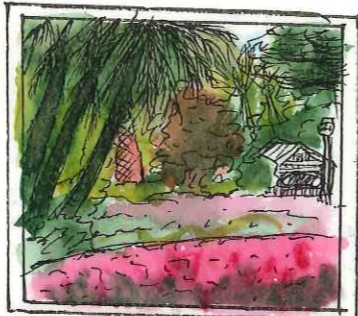

Wellington is the capital city and second most populous urban area of N.Z (after Auckland).

It's on the southwestern tip of the North Island, between Cook Strait and the Rimutaka range. It's home to 393,400 residents.

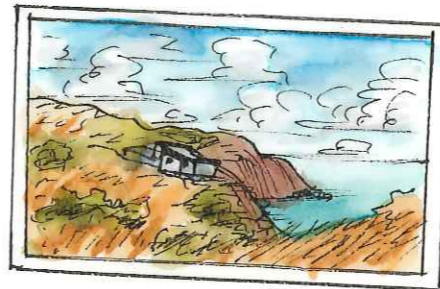

At the heart is the capital Wellington, with its narrow wilings,...

its botanic gardens,...

and some of the best views in the world...

It's a smart city and beautiful city.

Café culture:

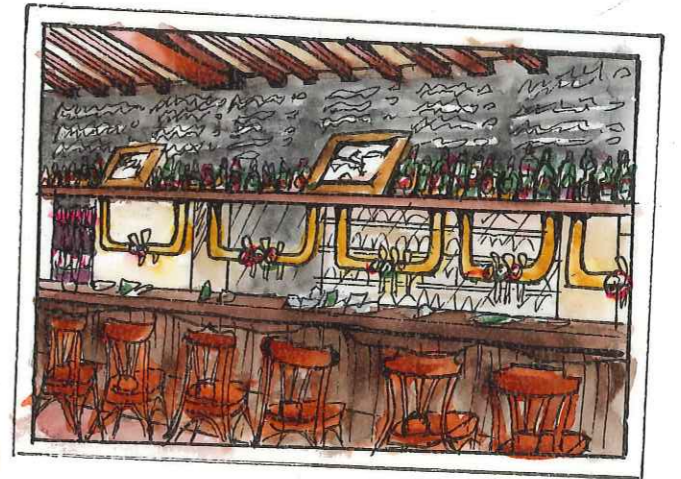

Wellington's café culture is prominent.

The city has more cafes for its residents than New York city.

Restaurants are either licensed to sell alcohol, or unlicensed; many let you bring your own wine.

Some cafes are real beer academies.

The brewery specializing in Belgian beers and European offers over 15 Beers on tap and 120 bottled Beers.
